

## SNAPLOK™ COMBO KITS

These kits are designed for applications that demand sturdy installation due to frequent quick coupler use.

### KEY BENEFITS

- Heavy-duty, prefabricated PVC swing joints with O-ring seals
- Choose from 12" or 18" lay arm lengths
- Strength, longevity, and contamination resistance
- Unique SnapLok outlet with brass threads offers unmatched support and durability for quick coupler installations
- Ultra-durable PVC and brass outlet construction
- Accommodates rebar and pipe stabilization needs
