

# Pilot-DH

Wired to Save Time and Money

## KEY BENEFITS

- Decoders are encapsulated in a distinctive yellow package making them much easier to find them in dark valve boxes or buried in the soil.
- Water-resistant keypad and and illuminated display permits editing and operating in the field where the plants are.
- Lights on the output modules tell you what is happening and help you troubleshoot the system
- 250-station output modules allow your decoder hub to grow with your course.

**1 & 2-way Decoders 4 & 6-way Decoders**
