

The best way to stay in top  
**PLAYING CONDITION**

**HUNTER'S I-40:** The best-selling sports turf rotor in the world year in, year out.

**Efficient, reliable, and durable**, this legendary rotor offers up to 70 feet of coverage, easy arc adjustment, and exceptional uniformity with outstanding mid-range and close-in coverage.

- Maximum safety and durability: Extra thick rubber cover ensures safe playability and prevents damage
- Exceptional coverage: Secondary nozzles provide mid-range and close-in coverage
- Non-strippable, vandal-proof drive mechanism: Enables the turret to be turned without causing damage

**ALL I-40 NOZZLES ARE NOW COLOR CODED** to allow for easy and fast identification and installation.
